

iTeach[®]

Tablet Syncing & Charging Cart

Synchronize, charge, and transport up to 32 tablet devices at once. Ergonomic cart is designed to be easily accessible for teachers or students!

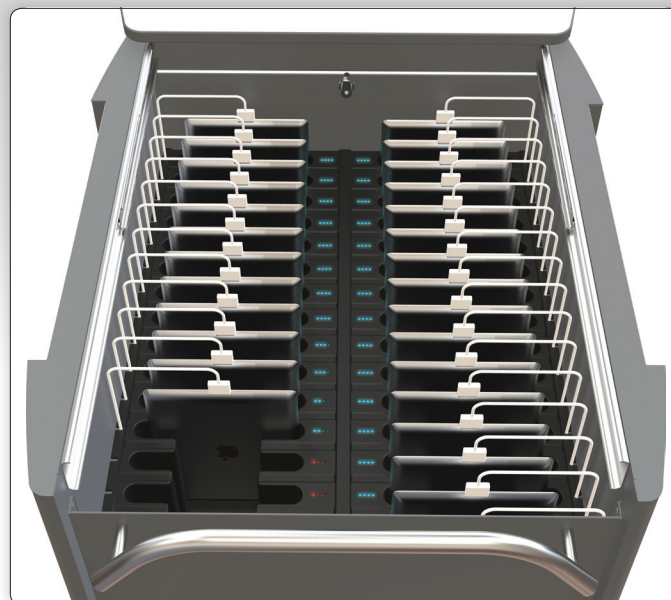

Rev 02/06/13 RMC

Sliding top provides a work surface and remains stable even when top is open.

iTeach® Tablet Syncing & Charging Cart

- Easily synchronize, charge and transport up to 32 tablet devices with the modern and attractive iTeach® Tablet Syncing & Charging Cart. Combining modern aesthetics with tried and true functionality, this versatile design holds 32 iPads or other tablet devices in one secure and portable workstation.
- Sync via an iTunes or Windows 7 host computer using the USB cable provided.
- Apple devices can be set up using the Apple Configurator app available directly from Apple, and synced using iTunes. Non-Apple devices will appear as USB drives and can sync via dragging and dropping. Contact your tablet manufacturer to understand the best method of transferring files for your specific device.
- Controlled power management knows which tablets need more power, providing a safe and secure way to keep your tablets up to speed, extending battery life and saving energy.
- Designed for easy accessibility, the ergonomic placement of the charging slots means no getting on your hands and knees to load and unload. Plug works with many popular tablets equipped with a USB charging cable.
- Dual purpose sliding top shelf locks to secure your tablets and also serves as a standing height work surface. The surface remains stable even when the sliding top is open.
- Powder-coated steel body with coordinating HPL/edge banding. Durable 5" swivel casters (two locking). Slots hold tablets up to 7/8" thick, accommodating most tablets even with a case.
- Pending GREENGUARD Indoor Air Quality (IAQ) Certification for low-emitting products.
- Tested and approved for Electromagnetic Compatibility to FCC 47 CFR Part 15; ICES-003, Issue 4 (2004) -FCC 47 CFR Part 15.107 Conducted Emissions and FCC 47 CFR Part 15.109 Radiated Emissions.
- 10 year warranty on cart. Two year warranty on electrical. TAA compliant. Ships fully assembled. See chart on right for technical specifications.
